

EXTENSIONS OF REMARKS

HONORING THE SOUTHERN PINES FIRE DEPARTMENT FOR 125 YEARS OF OUTSTANDING SERV- ICE

HON. RICHARD HUDSON

OF NORTH CAROLINA
IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. HUDSON. Mr. Speaker, I rise today to honor the Southern Pines Fire Department for 125 years of exceptional service to our community.

The Southern Pines Fire Department was founded on February 13, 1898, following a devastating fire which destroyed the Central Hotel. Prior to its inception, the public was responsible for banding together with buckets of water to put out any fires. In 1916, the town bought its first chemical truck before purchasing Old Betsy, a motorized fire engine, in 1925. After many dances and community events were held to fund the department, the town purchased a new fire engine in 1935. In one of the department's most impressive accomplishments, it saved the Southland Hotel from destruction at the hands of a devastating fire in 1943 and helped all guests escape the disaster without any injuries. This heroic feat marks one of the countless acts of bravery Southern Pines firefighters have performed in the face of danger over the past 125 years. Their outstanding actions and leadership will continue to stand as an example for all first responders to emulate.

I would like to extend my most sincere gratitude and appreciation to the Southern Pines Fire Department for its dependable service and sacrifice. The admirable dedication its firefighters have long extended to protect those in our community does not go unrecognized, and I know I speak for all in our community in wishing them the best as they continue to provide life-saving assistance to those in need.

Mr. Speaker, please join me today in honoring the Southern Pines Fire Department for 125 years of exemplary service.

REINTRODUCTION OF THE EMERG- ING BUSINESS ENCOURAGEMENT ACT OF 2023

HON. ANDRÉ CARSON

OF INDIANA
IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. CARSON. Mr. Speaker, today I am re-introducing the Emerging Business Encour-

agement Act which will give new small businesses a more equal playing field to secure federal contracts.

Emerging businesses face obstacles that are distinctly different from more well-established small businesses. Under the Emerging Business Act, the Small Business Administration would create a new designation for an Emerging Business Enterprises based on the company's age, size and total compensation. This will encourage meaningful opportunities among like-sized enterprises compared to competition against larger, fully-established enterprises.

Emerging businesses often have trouble securing federal contracts. The Emerging Business Encouragement Act will expand opportunities by requiring federal agencies to set contracting goals for emerging business enterprises equal to or not less than 3 percent of contracts and subcontracts.

Additionally, many emerging businesses have difficulty accessing the capital they need to develop products and hire workers. Under the Emerging Business Encouragement Act, the percentage of federal loan guaranty authority for Small Business Administration loans would increase from 50 percent for all small businesses to 65 percent for emerging business enterprise, providing a significant incentive for lenders to lend to these businesses.

We must support all job creators as our economy continues to recover, but there are significant differences between a startup with only a few employees and an established business with a few hundred employees and decades of experience. This legislation will help these emerging businesses overcome the unique challenges they face in their first few years of operation, and it will ensure these businesses are able to compete for federal contracts and gain access to critical small business loans.

To be certified as an emerging business enterprise, a company must be 10 percent or less the size of the current SBA designation for a small business, which is typically capped at 500 employees.

The company must be less than five years old at the time of certification with annual compensation of individuals in management positions not exceeding 200 percent of the annual mean wage for "Management Occupations" defined by the U.S. Department of Labor. These standards will ensure that those businesses benefiting from EBE programs are truly emerging.

With this bill, we can help entrepreneurs get through their first few years, when so many businesses fail, so they can grow and create jobs. And it provides incentives for lenders to provide capital to emerging businesses, one of the top concerns for entrepreneurs.

Mr. Speaker, I invite my colleagues to join me in supporting this important bill.

RECOGNIZING THE 13TH ANNUAL CONGRESSIONAL HOCKEY CHALLENGE

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. KEATING. Mr. Speaker, I rise today to recognize the 13th annual Congressional Hockey Challenge, a charity game played between our congressional Lawmakers hockey team and the Lobbyists, which has raised over \$1.2 million for charity since 2009. This year's matchup saw the Lawmakers pull out a hard-fought 8–3 win over the Lobbyists, continuing what is now a five-year winning streak.

This year's charities include the Fort Dupont Ice Hockey Club, the nation's oldest minority youth hockey program, founded by iconic U.S. Hall of Fame coach Neal Henderson; four chapters of the Warriors Hockey program, which are teams comprised of disabled American military veterans; and the Professional Women's Hockey Players' Association, an organization committed to the establishment of a professional women's hockey league in North America. Through its partnership with the National Hockey League, Ted Leonsis and the Washington Capitals, Jeremy Jacobs and the Boston Bruins, the Canadian American Business Council, and other key supporters, the annual congressional hockey game aims to ensure that the sport of hockey is accessible to all who wish to play.

In past years, the congressional hockey game has been supported by appearances from NHL Commissioner Gary Bettman, Deputy Commissioner Bill Daly, Hall of Famer Pat LaFontaine, Kevin Weekes, Anson Carter, Peter Bondra, Alan May, and Rod Langway, with play by play at times called by sportscaster Joe Beninati. Legendary Hall of Famer and Congressional Gold Medal recipient Willie O'Ree, who shattered hockey's racial barrier with our Boston Bruins in 1958, has been honored in the past and remains a familiar face of the annual game as an unrivaled ambassador to diversity and inclusion.

This year, our Lawmakers team was once again skillfully helmed by former University of Alaska-Fairbanks captain and my colleague TOM EMMER, along with congressional staff, administration officials, and anchored by Olympic women's hockey standouts Haley Skarupa, Megan Keller, and Hayley Scamurra.

Haley Skarupa, a dynamic and prolific scorer with a name peppered throughout both the NCAA and team record books from her time at our shared alma mater of Boston College, earned a gold medal as a forward during the 2018 Olympic Games in PyeongChang. Another standout BC Eagle, Megan Keller, long regarded as one of the best defensive players in the world, sports a gold medal from the 2018 Olympic campaign and a silver from 2022. And Hayley Scamurra, an elite two-way threat out of Northeastern University with a litany of All-Star, MVP, and Player of the Year awards, brought back home silver from Beijing in 2022. The commanding presence of these three Olympians made this year's game one to remember.

Knowing that events such as these are never easy to organize, it's also important to acknowledge that this year's game was once again supported through the foundational ef-

forts of Nick Lewis, Michelle MacGregor, Tim Regan, Kevin Coroneos, and many others who have selflessly volunteered their time and effort toward the game's sustained success year after year.

Mr. Speaker, it is with this in mind that I once again congratulate all the supporters and participants in this year's Congressional Hockey Challenge and recognize the inspired work of these charities. The Fort Dupont Cannons' devotion to equity in the youth community, the Warriors' provision of opportunity for our veterans, and the PWHPA's commitment to broaden the horizon for female athletes, truly helps to both demonstrate and ensure that hockey is for everyone.

CELEBRATING THE CAREER OF CORPORAL ROBERT MAHON

HON. SHARICE DAVIDS

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Ms. DAVIDS of Kansas. Mr. Speaker, I rise today to celebrate the career of Corporal Robert Mahon of Kansas. Corporal Mahon spent 30 years exemplifying the motto of the United States Marine Corps—Semper Fidelis, or “Always Faithful” in his service to the Third District as a member of the Leawood Police Department and the United States as a Marine.

After graduating high school in Placerville, California, Corporal Mahon joined the United States Marine Corps in October of 1993. Corporal Mahon proudly served four years in the Marines as an anti-tank missile gunner, or “TOW.” At his honorable discharge in 1997, his years of leadership and hard work allowed him to rise to the rank of corporal.

Following his discharge, Corporal Mahon moved to Kansas City and began working with the Johnson County Sheriff's Office. On July 19, 1999, Corporal Mahon began his 24-year service to Leawood Police Department. During these years, Corporal Mahon spent much of his time on patrol in addition to a 4 year stint in the traffic unit as a motorcycle officer. He continued to lead as a firearms instructor, armorer, and less-lethal projectile instructor for nearly 15 years.

Corporal Mahon's leadership did not end there. He worked to educate and inspire others as a police marksman, a police cyclist, an active shooter instructor, an original member of the department's honor guard, and was the first Federal Aviation Administration (FAA) drone pilot in the department. His outstanding performance was rewarded with a promotion to the supervisory ranks of the department, and he was named a patrol corporal on May 11, 2019.

Corporal Mahon received the Metro Chiefs and Sheriffs Association Bronze Award for Valor, two Leawood Police Department Life-saving Awards, and the Leawood Police Department's Medal of Valor in 2022. In addition to his career achievements, Corporal Mahon is a devoted husband and father to his wife Vicki, and their children, Garrett, Alyssa, and Julia.

Mr. Speaker, please join me in honoring and congratulating Corporal Mahon on his three decades of service and his distinguished career. I thank Corporal Mahon for his leadership and valor and wish him the peaceful and prosperous retirement that he deserves.

TRIBUTE TO KEVIN ALEXANDER GRAY

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. CLYBURN. Mr. Speaker, I rise today to pay tribute to a community leader, political activist, talented writer, and dedicated entrepreneur. Kevin Alexander Gray transitioned from this life on March 7, 2023, in Columbia, South Carolina. He was a not-so-gentle giant in the community who tirelessly advocated for improving the lives of those in need, and his presence will be sorely missed.

Kevin Gray was born on July 1, 1957, in Spartanburg, South Carolina. He was raised with his four siblings, by his parents who owned the Spartanburg establishment, “Gray's Groceries”. From an early age, Kevin found his voice as a fearless advocate for civil rights and took to political organizing. In 1988, Kevin served as the South Carolina Coordinator for Reverend Jesse Jackson's Presidential campaign. He also worked diligently on the Presidential campaign of Tom Harkin in 1992 and Tom Clements' United States Senate campaign in 2010.

In addition to organizing both state and national political campaigns, Kevin was also a skilled writer. He worked as an editor for Black News of Columbia, South Carolina and as a writer and editor for other African American newspapers across the state. He went on to write, *Waiting for Lightning to Strike: The Fundamentals of Black Politics*, and edit *Killing Trayvons*, among other pieces on activism and the fight for equality.

Kevin understood the connection between good political discussions and good food, and he opened the well-loved Barbeque restaurant

"Railroad BBQ" on Hampton Street, in the shadows of Benedict College and Allen University. The restaurant is adorned with political posters and created a space for enjoying fulfilling food and conversation. Despite opening at the early onset of COVID, it quickly became a cornerstone of the community.

Throughout his life, Kevin was a highly involved member of the community, offering support to families who had lost loved ones to poverty, violence, drug use, or were imprisoned. In formal civic roles he served as head of the Rainbow Coalition, a civil rights organization originally founded by Rev. Jackson and led protests against apartheid in South Africa. He also served eight terms as President of the South Carolina American Civil Liberties Union, and for four years on the national board of the American Civil Liberties Union. He was a key voice in advocating for the removal of the confederate flag from the dome of the South Carolina State House.

Mr. Speaker, I ask that you and our colleagues join me in honoring the inspiring life of Kevin Gray. Throughout his life, he remained steadfast in his dedication to his state and furthering the opportunities of all who lived there. His commitment to public service touched the lives of all who knew him, and he will remain cemented in the bedrock of Columbia, South Carolina forever.

Friday, March 10, 2023

Mr. BURLISON. Mr. Speaker, I rise today to honor the lives of Corporal Benjamin Lee Cooper and Officer Jake Alexander Reed, who made the ultimate sacrifice and gave their lives in the line of duty to the Joplin community.

Cpl. Cooper served his country as part of the U.S. Army for eight years and was stationed in Alaska and Hawaii during his service. Following his service in the military, he started a 19-year career in law enforcement beginning with the Joplin Police Department in 2003. He then served as a Sheriff's Deputy in Colorado, before ultimately returning to Joplin. Cpl. Cooper was an avid bowhunter, fisherman, and family man. He is survived by his wife and 2 daughters.

Officer Reed graduated with Honors from MSSU and became a Joplin Police Officer upon graduation. Officer Reed served with the Joplin Police Department for five years. He loved gaming, mountain biking, golfing, and spending time with his family and friends. Officer Reed's commitment to service continues as he spread the gift of life to several recipients as a vital organ donor. He is survived by his wife.

Both lives gone too soon, both lives we must remember forever. Their service to Joplin has left a lasting impact on our community and we owe them an eternal debt of gratitude.

On behalf of Southwest Missouri, I join the Joplin community today in honoring their lives, memory, and lasting impact they will forever have on our community.

HONORING THE LIFE AND SERVICE OF MASTER TROOPER JAMES BAILEY

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. BANKS. Mr. Speaker, I rise today to honor the life and service of Indiana State Master Trooper James R. Bailey, who was killed in the line of duty last Friday, March 3.

A native of Auburn, Indiana, Bailey was a decorated, nearly 16-year veteran of the Indiana State Police force who was named Trooper of the Year for District 12 in 2012 and earned the combat "Action Award" in 2021.

But Bailey's spiritedness and sense of duty wasn't confined to his squad car. In 2010, Bailey was off-duty and leaving lunch from a restaurant with his wife when an 87-year-old man collapsed in the parking lot. He and his wife Amy, a nurse, rendered CPR and saved the man's life. Three times, he was diagnosed with cancer. Three times, he beat it. "I'm pretty stubborn," Bailey said. "You have two options. One is to go into a corner and pout. The second is to fight and be stubborn." That's who James Bailey was: A public servant dedicated to the last, and a warrior whose triumphs he insisted be understated.

In response to being called a hero, Trooper Bailey demurred, "It's what we do, it's what we are trained to do, and that's why we get into this profession." But I want to be very clear, especially to his children, Joseph and Sophia: Their dad was a hero. That is how he will be remembered.

We will never forget his service and sacrifice to Northeast Indiana. God bless the Bailey family and God bless all law enforcement officers who risk their lives every day to keep our families and communities safe.

TRIBUTE TO KRIS JORDAN

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. JORDAN. Mr. Speaker, I am honored to commend to the House the memory of Kristopher W. Jordan of Ostrander, who died unexpectedly at the age of 46 on February 25. Kris ably served the people of Delaware County in the Ohio House of Representatives.

Kris was a man of strong faith and strong conservative credentials. He was a leader of the pro-life movement in the General Assembly and a champion of smaller government throughout his time in government service, which included 8 years in the Ohio Senate and 6 as Delaware County Commissioner.

His dedication and connection to the people of his district was so strong that he would knock on thousands of doors each election season even when running unopposed.

RECOGNIZING ROSEANNE BUTLER-SMITH

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. HIGGINS of New York. Mr. Speaker, I rise today to recognize and congratulate Roseanne Butler-Smith on her retirement from many years of dedication and service to Western New York's Public Libraries.

Roseanne began her career in 1987, working part-time at the Lancaster Public Library and was appointed a full-time librarian in January 1988. She continued her career moving throughout our vital public libraries, serving as Library Director for the Cities of Tonawanda, Clarence and Amherst. She also served as a member of the New York State Library Association, American Library Association, and Public Library Association. Throughout her

time, she always put the needs of the library patrons first, ensuring that these public resources could continue to provide meaningful service to the members of their communities.

During her time as Library Director for the Town of Amherst, budget cuts eliminated funding for the Williamsville Public Library. Roseanne was responsible for helping to keep its doors open through various creative fundraising efforts. These included hosting the Winter Gala. This annual fundraiser started in 2012 and has grown tremendously over the years, successfully raising thousands of dollars for the Williamsville branch. Other fundraising efforts included hot dog sales at the Glen Park Arts Festivals and raffle events. Roseanne even delayed her retirement to ensure she could oversee the completion of the Audubon expansion—an anecdote that perfectly encapsulates the commitment she showed to our library system.

Today, I ask that you join me in celebrating Roseanne Butler-Smith on her retirement and unwavering dedication to Western New York. She has made extraordinary contributions over her career, ensuring that these libraries stay open and operating for all members of the community to enjoy. I'm confident that Roseanne's retirement will be marked by spending time with her husband Gordie and their children, traveling, and as always, settling down with a good book.
